Appendix No. 3 Spare Parts List

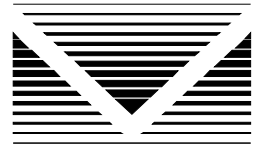

Project: KM LNG, Kitimat
Equipment: Ocean Disposal Trestle Topside Equipment
KBR Ref. CM002-IDX
Megatech Ref. 10.452

The following is a preliminary suggested spare parts list for the major equipment components for the Trestle Topside Equipment. Given the expected operational period for the equipment, not all items listed will be required. Items marked with an * are strongly recommended spares to be carried at site.

All prices are Canadian Funds, FOB Megatech or suppliers warehouse. Delivery is with the equipment providing the order is placed within 8 weeks of project order.
